RIVERSIDE GOLF COURSE - ANNUAL MEMBERSHIP

RULES AND REGULATIONS

In order to enhance the golf experience and safety of all persons and guests at Riverside Golf Course (the "Golf Course"), the following rules and regulations ("Club Rules") shall govern the actions and conduct of all members and their guests at the Golf Course.

Use of Facilities

Member is entitled to use and enjoyment of the Golf Course, subject to the terms and restrictions of the applicable membership plan, these Club Rules, and such other restrictions or limitations as may be imposed from time-to-time by management. All modifications to rules will be appropriately distributed to members in writing.

Annual Member Registration

All members are required to check in with the Golf Shop prior to play at all times and sign for a golf car when being used. Failure to register with the Golf Shop may result in a loss of membership.

The Golf Club reserves the right to host special events and golf tournaments. Such events may partially or completely restrict the availability of golf course starting times and any or all Golf Course facilities, including, but not limited to, use of the clubhouse, snack bar, practice range, and the golf course itself. Members are required to pay full tournament rates. The Golf Course shall have no liability for the temporary suspension of any privilege due to maintenance, repair, construction, improvements, act of God, inclement weather, utility disruptions, or any and all other matters beyond the control of the Golf Course.

The management of the Golf Course shall be free to modify the features of the facilities, including but not limited to the relocation of operations, the implementation or cessation of services, or such other adjustments or changes as management, in its discretion, deems appropriate.

Reservation Policies

The Member shall be allowed to make tee time reservations 7 days in advance. Starting times that are not cancelled at least 24 hours in advance of play will be addressed as follows:

- | | |
|--------------|---|
| 1st Offense: | Member warned and notation placed in file. |
| 2nd Offense: | Member will lose ability to book starting times in advance. |

Pace of Play

Players are required to keep pace with the group in front of them at all times and/or to complete 18 holes of golf in four hours and twenty minutes, whichever is less.

Use of Golf Cars

Golf cars are to be driven in accordance with applicable car restrictions at all times, and otherwise in a safe and controlled manner. Golf cars are allowed on the fairways of all par 4's and 5's at a 90 degree angle from the ball to the car path. However, inclement weather or other conditions may evoke further golf car restrictions. Golf Shop staff will notify players of any temporary restrictions, but players are expected to refrain from driving golf cars where it may damage the golf course. No more than two golf cars per foursome are permitted and golfers will be expected to share cars where applicable.

Term

All Memberships shall be valid for one year from the date of purchase. All memberships expire as of the end of their stated term and the Golf Course is not obligated to continue any membership programs beyond such stated term. A new application for membership must be completed and approved for continued membership beyond the stated term.

Transfers and Revocations

Membership privileges are personal to the Member and may not be sold, transferred, or otherwise assigned in any manner. The management of the Golf Course may revoke any membership without notice if a member violates any terms of the membership plan, general policies of the Golf Course and/or these Club Rules, as the same may be hereafter modified. No portion of any fees paid is refundable upon revocation. Club Rules may change from time to time at the discretion of management.

Payment of Fees and Charges

Membership fees are due and payable at the time the membership term begins as specified in the Membership Application and are non-refundable. For those Members who decide to pay monthly, the Annual Membership will be divided into twelve (12) equal payments plus a \$5 monthly administrative fee, with the first month payment due on sign up date. The remaining monthly credit card payments will be processed on the 1st of every month until the end of the term. If monthly payments are not paid or declined and restitution is not made within 30 days after date of obligation, Riverside may, at its discretion, suspend member's membership. Monthly dues will continue to accrue until member or Riverside cancels membership. Member is responsible for full payment of current dues, all accumulated past dues to date, and the remaining balance of the contract. Such amount is due and payable immediately. If payment for past and current dues is made in full, membership will be reinstated to active status. If no payment is made, Riverside may turn the account over to a collection agency. Riverside shall be entitled to all costs of collection, including attorney's fees, in the event of any default hereunder.

Indemnification for Damage

Member shall be responsible for all damages and personal injury caused by the Member, the Member's family, or any guest of the Member and the Member shall indemnify, defend, and hold harmless the Golf Course against any claims.

General Limitations

The Golf Course shall have no liability for the physical damage, theft, or loss to any personal property of Member or Member's guests in any way arising from the use of the Golf Club facilities, to the greatest extent allowed by law.

General Code of Conduct

While at the Golf Course facilities, Member shall conduct himself or herself in a manner that is not abusive, combative, or disruptive to other players or staff.
